Logansport Captures Class A State Title in Two Overtimes

By Al Nassif

Logansport's Tigers refused to buckle under to adversity Saturday evening, and as a result they're wearing the Class A state crown today following a p u l s e-pounding 53-50 double overtime victory over Greensburg.

Coach W. C. Speights' Tigers, who almost blew Greensburg off the court during a sizzling first half performance, couldn't get their offense cranked up in the third period and in the process saw a nine-point period, the Tigers trailed by two, but when the chips were down, they kept their cool and came through with the win.

"I can't say enough about these girls," a happy coach Speights said after the game. "They have dedicated themselves for the past four years to win this championship. We have no individual star on the team. They all play together, and because of this dedication, I seldom have to get after them in a game."

Speights, whose team finished with a glittering 24-1 record for the year, said he felt a change in Greenburg's defense in the second half had a lot to do with his team's bad showing in the third period.

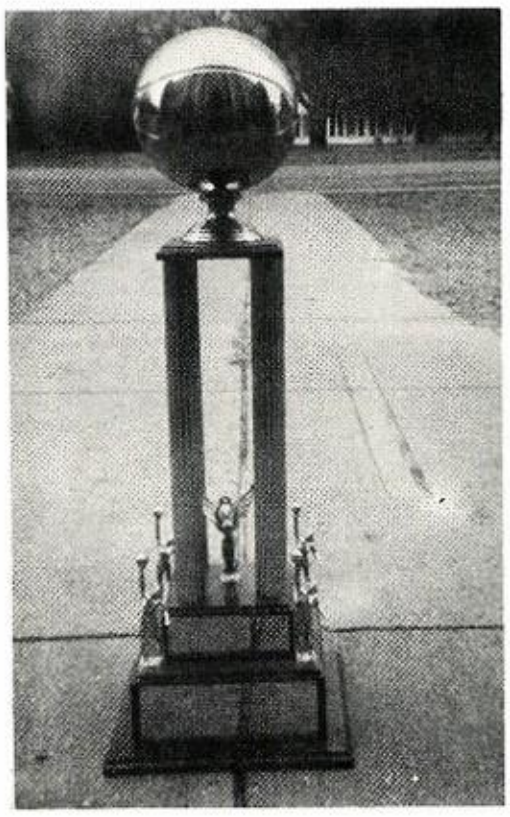
The big thing about the change was the aggressive guarding by Mona Williams at Logansport's Connie Loftin. Miss Loftin's hot hand in the first half, when she scored 20 points, was the main reason for the nine-point halftime lead the Tigers enjoyed.

But with Miss Williams guarding her close, Miss Loftin managed only three points in the final two periods and the double overtime, finishing with a game high 23 points.

During the second half, Miss Loftin made only one-of-nine shots from the field, and late in the game missed a wide open short jumper that would have given her team the victory in regulation play.

After rallying to erase the nine-point deficit in the third period, Greensburg, which had three players finish in double figures, had to rally again in the final two minutes to erase a four-point (45-41) Logansport lead.

Connie Smith, who was second to mate Janet Varnado with 16 points, started the comeback with a short jumper that whittled the deficit to 45-43. After Lois Barrett's free throw made in 46-43, a free throw by Varnado, who had 18 points for the game, and a field goal by Miss Smith with 45 seconds left tied the game and that's how it stood when the buzzer sounded ending regulation play.



A drive by Varnado with 1:40 left in the first overtime gave Greensburg a 48-46 lead, but Kathy Wallis cashed in both shots on a one-and-one to tie the game.

Both teams muffed several chances after that, and with nine seconds left in the period, Greensburg's Rhenette Carter missed the first shot of a one-and-one.

Melissa Muse drove down the lane for a two-pointer 20 seconds into the second overtime period, giving Logansport a lead it never relinquished.

Icing was added when Miss Wallis bagged one of two free throws with 14 seconds remaining, and then Miss Barnett upped the advantage to five points with two free throws with six seconds showing on the clock.

Greensburg's only two points came just before the buzzer when Logansport allowed Miss Carter to drive in for an easy layup.

ADMINISTRATION

Principal's Message

Mr. Billy M. Norred

As you turn the pages of this book, now and in the future, it is my sincere hope that it will serve as a storehouse of pleasant memories and relationships that each of you have experienced at Logansport High School.

As you recall many of these experiences, may I remind you that as time passes one of the more important things in life is the impressions you leave others.

Your growth comes not only from the knowledge that you aquire, but more from how you apply this knowledge in fulfilling your life and the lives of those you contact daily.

David,
To a swell
guy and class-
mate, who is a real
nice person. May all
the success in the world
follow you through your life-
time. May God bless you &
cherish your life with praise.

Lots of luck and
success
From your friends,
Virginia
